

## From our Families

“My brothers and I are extremely pleased with the wonderful care that has been provided for our mother over the past six years. In our opinion, The Leach Home allows a great deal of independence for residents along with a structure that ensures that individuals live in a safe and caring environment. We love the residents and employees at The Leach Home and so does our mother. Thank you, thank you and thank you!”

“I want to thank The Leach Home & staff for the extremely good care of my mother. Your compassion & understanding of her needs is extraordinary! I wouldn't have my loved ones be anywhere else. I'd recommend you to anyone in need of assisted living!”

- Allen M., Enumclaw, WA

Our staff will be happy to drive you to your appointments and weekly shopping trips.

## Welcome

The Leach Home is where your friends and family are welcome and new friendships are developed.

## People

Our staff makes The Leach Home a special place to call home. They bring energy and compassion to our home.

## Choice

We seek to individualize services for each resident. The foundation of our care is achieved by working with each resident, loved ones and medical providers on an individualized care and service plan. This provides the basis for staff members to help you meet your wants and needs.

*To care for those who once  
cared for us is one  
of the highest honors”*
